|  | Prices & Numbers<br>Of<br>(10) | Plants<br>(100) |
|--|--------------------------------|-----------------|
| ECHEVERIA perbella hybrid - 2½" rooted cuttings.....   | .55                            | \$4.50          |
| Grows exceptionally well. Very firm light green leaves.  |                                |                 |
| ECHEVERIA Pulv-oliver - 2½" rooted cuttings.....   | .50                            | 4.00            |
| Long, tapered, felted, flexible leaves tipped with red.  |                                |                 |
| FAUCARIA tigrina - 1½" to 2" seedlings.....  | .40                            | 3.50            |
| "Tigers Jaw." Leaves marbled gray-green with white teeth.  |                                |                 |
| FAUCARIA tuberculosa - 1½" to 2" seedlings.....  | .40                            | 3.50            |
| Wide brown leaves thickly covered with large tubercles,<br>white dot in center, white teeth on the ridges.                   |                                |                 |
| HEREROA dyeri - 1½" to 2" seedlings.....   | .40                            | 3.50            |
| "Elkhorn." Small plant with curious club-like leaves<br>forming a cluster similar in appearance to the antlers<br>of an Elk. |                                |                 |
| PLEIOSPILOS bolusii - 1½" to 2" plants.....  | .60                            | 5.00            |
| Imitates pieces of granite; always excites curiosity.  |                                |                 |
| PLEIOSPILOS nelii - 1" to 1½" plants.....  | .60                            | 5.00            |
| "AFRICAN LIVING ROCK." Leaves nearly round, reddish<br>brown color.  |                                |                 |
| PLEIOSPILOS simulans - 1½" plants.....   | .60                            | 5.00            |
| Similar to P. bolusii, but thick leaves are flat on the<br>top, triangular below.  |                                |                 |
| PORTULACARIA afra - 3" to 4" rooted cuttings.....  | .40                            | 3.50            |
| Small, shiny leaves, reddish stems, branching like a<br>small tree.  |                                |                 |
| PORTULACARIA afra variegata - 3" rooted cuttings.....  | .60                            | 5.00            |
| Stems red; leaves round, yellow edged with red.  |                                |                 |
| FUYA chilensis - 3" to 5" seedlings.....   | .75                            | 6.00            |
| Striking plant of the pineapple family. Leaves very<br>thin, light green on upper side, silvery gray underneath.             |                                |                 |
| SEDUM guatemalense - 2½" plants.....   | .35                            | 3.00            |
| Stems densely covered with berry-like leaves, shiny<br>green tinged red. (Fig. 195 A)  |                                |                 |
| SEDUM pachyphyllum - 2" to 2½" plants.....   | .35                            | 3.00            |
| Similar to S. guatemalense, but leaves are cylindrical<br>light gray tipped to red.  |                                |                 |
| SEDUM prealtum crest - 2" to 2½" plants.....   | .40                            | 3.50            |
| Unusual flattened stem of "Cockcomb" formation. Leaves<br>small, light yellow green. (Fig. 194)                              |                                |                 |
| SEDUM trealeasi - 2" rooted cuttings.....  | .35                            | 3.00            |
| A very attractive, chalky white plant, forming small<br>rosettes. (fig. 195)   |                                |                 |
| SEMPERVIVUM calcareum - 1½" to 2" plants.....  | .50                            | 4.00            |
| Elegant, small rosette plant with numerous short broad,<br>gray leaves, sharply tipped with dull crimson.                    |                                |                 |
| *****  |                                |                 |
| BOXWOOD - 4" to 5" well branched plants.....   | .60                            | \$5.00          |
| *****  |                                |                 |
